REMARKS

It is requested that the provisional obviousness type double patenting rejection of claims 1-12 and 14-17 over claims 1-12 of copending application 09/490,704 or upon 09/877,621 in view of either the <u>Handbook of Adhesives</u> or Weirauch be held in abeyance until allowable subject matter is identified. At that time, applicants will consider an appropriate terminal disclaimer.

Claims 1-12 and 14-17 stand provisionally rejected under 35 USC 103(a) as obvious over copending application 09/490,709 or 09/877,621 each taken individually or in view of either the <u>Handbook of Adhesives</u> or Weirauch.

However, the present application is entitled to a priority date of December 2, 1999; which anticipates the filing dates of the '709 and '621 applications.

Accordingly, said copending applications are not available as a reference, and this rejection should be withdrawn.

Reconsideration and favorable action is respectfully solicited.

Respectfully submitted,

NORRIS McLAUGHLIN & MARCUS, P.A.

William C. Gerstenzang
